Avebury Playground 2022 Questionnaire

Hello Avebury Community

Thank you for taking the time to complete the following brief questionnaire. During 2022, as part of our Platinum Jubilee celebrations we aim to re-new the playground area situated at Avebury Trusloe. We are interested in your opinion of our current playground and what we could do to improve it. This questionnaire is only part of the project - substantial planning and fundraising must be undertaken in order to succeed and so in addition we ask if you would consider offering your time or fundraising skills to help move this project forward.

When considering the current playground structures, would you rather

- Not make any improvements
- Make very few improvements
- Replace them with a similar structure
- Remove them and install an entirely new design
- Make the most cost-effective updates to make the playground appear new and improved

In thinking of improving the playground areas, please rate how important the following elements are to you. Check the column that most accurately reflects your opinion
