

Christmas at Avebury

This Christmas we'll be inviting our visitors to escape the bleak, cold outdoors and find festive warmth and cheer at Avebury. The focal point for our Christmas celebrations is the Manor. Downstairs the rooms are decorated to show 'Christmas through the ages', while upstairs we have a 'cosy winter's night' and 'Christmas spectacle' with 'presents fit for a Queen'! The Manor's not the only place visitors can enjoy the festive season though. Delicious mince pies will be available in the café while the National Trust shop has fantastic gift ideas. The dovecote is also decorated for Christmas and provides our visitors with a moment's oasis as they relax under the twinkling fairy lights and winter blankets.

On top of this we have a full calendar of Christmas events including wreath making workshops in the Manor and winter warmer walks of the Stone Circle. For more details on this and more please see our website: www.nationaltrust.org.uk/avebury.

High Street Car Park

We've received much really helpful feedback from the Parish regarding current and future uses of the NT car park on the High Street. We hope to be able to share plans for the car park before the end of the year. Thank you to everyone who took the time to share their thoughts and ideas.
